## प्रधानमंत्री मोदी के शासन में देश आश्वस्त : संतोष

नई दिल्ली, प्रेटर : भाजपा महासचिव (संगठन) बीएल संतोष ने गुरुवार को कहा कि प्रधानमंत्री नरेन्द्र मोदी देश के भविष्य के बारे में एक आश्वासन लेकर आए हैं, जो पिछले 70 सालों से गायब था।

उन्होंने यह भी कहा कि मोदी सरकार के पिछले सात वर्षों से देश का आम आदमी जिस आश्वासन की भावना का अनुभव कर रहा है, उसकी तुलना राजा विक्रमादित्य, भगवान कृष्ण और भगवान राम के युग में की जा सकती है। संतोष ने 'मोदी 2.0' नामक पुस्तक के विमोचन के अवसर पर सविधान में समाजवाद को शामिल करने के बारे में चर्चा की। पुस्तक को श्यामा प्रसाद मुखर्जी फाउंडेशन के तत्वावधान में लाया गया है। उन्होंने कहा कि आश्वस्त होना जीवन में सबसे बड़ी चीज है जिसे हर कोई चाहता है।

## Focus News

### Modi 2.0 A Resolve to Secure India Amid Changing Global Political Dynamics

**New Delhi, Focus News:** Under constant attack from terrorism, unrest on national borders, changing global dynamics and volatile situation of India's neighbourhood, defence of the country has become a priority of Modi 2.0 government. Pentagon Press (Leading Indian publication house dedicated to highlighting national issues) has launched the book 'Modi 2.0 A Resolve to Secure India' at the perfect time, as the debate is alive on the national security strategy of the current government. Voices both in favour and in criticism are strong on domestic and international political circuits. B. L. Santhosh, National General Secretary (Organisation), BJP graced the occasion as the Chief Guest. Panel of esteemed guests include Prof. Bibek Debroy, Chairman, Advisory Council to the Prime Minister, Shri Ranjit Panchanda, Former Director General, Indo-Tibetan Border Police, Dr. Uttam Sinha, Fellow, Manohar Panikar Institute for Defence Studies and Analyses, Dr. Arinban Ganguly, Hon. Director, Dr. Syama Prasad Mookerjee Research Foundation and Mr. Rajan Arya, Managing Director, Pentagon Press LLP. 'Modi 2.0 A Resolve to Secure India' captures noteworthy opinions and inputs of national security experts and thought leaders on the overall performance and strategies of the Modi government. The editors have carefully scrutinized government policies, initiatives, responses to crisis, and the political leadership role of the government. The book covers various areas of governance and important issues in which the BJP has performed with a fair amount of success. The sections include Modi's Quest and Action

for Securing India by Arinban Ganguly, Strategies to Countering Insurgency in Assam-Sarbananda Sonowal, Need for Police Reform by Bibek Debroy, Modi Government's War Against the Underworld by Satya Pal Singh, Technology in Support of National Security by Alok Joshi and Forging Ahead: A New Strong India under Modi 2.0 by Ranjit K. Panchanda. At the book launch B. L. Santhosh, National General Secretary (Organisation), BJP said, "Today is a very special day for all of us. In the same building a book is being launched on a disaster that was and a disaster management that is this government. What adds value to this book is the immense accomplishment of the contributors and editors. In modern times the sense of assurance was diminishing, these 7 years have brought that sense of assurance in the leader and the system. The potential that was not realised in 70-75 years has been unleashed in 7 years. Today I am reminded by the words of our PM - I don't know what I can achieve or deliver in the next 5 years, because achievement requires support and effort of many people. But I can assure you that I will work in a way that none of you will

have to bend your head while asking for votes next time. He made us proud. He also said - No matter wherever part of the globe Indians are, they are Indians. We will create a situation when they all will be proud to say they are Indians. This government's achievement is not policies, they were there already. The achievement is the change of mindset brought by this leader - Nation First." Prof. Bibek Debroy, Chairman, Advisory Council to the Prime Minister, said "A sound and aggressive defence strategy is an absolutely necessary part of India's reform agenda. Strategies to counter insurgency on our national borders and police reform are essential for maintaining the momentum in development." Ranjit Panchanda, Former Director General, Indo-Tibetan Border Police said, "The Modi Government believes in keeping every citizen, who is an equal stakeholder in national security, secure from all kinds of threats, both external and internal." Dr. Arinban Ganguly, Hon. Director, Dr. Syama Prasad Mookerjee Research Foundation said, "The national security approach of Modi's 'New India' is in line with the articulation. India aspires to emerge as a leading power standing on solid foundation of a new security vision"

## Loksaty

### सिस्टम में भरोसे की भावना लौटी: संतोष

#### संतोष

● वैश्विक राजनीतिक परिवेश में देश की सुरक्षा मोदी सरकार की प्राथमिकता

श्री राम शां, लोकसत्य

नई दिल्ली। भारतीय जनता पार्टी (संगठन) के राष्ट्रीय महासचिव बीएल संतोष ने कहा कि मौजूदा दौर में भरोसे की भावना कहीं खोती जा रही थी, लेकिन विगत 7 सालों के दौरान प्रधानमंत्री नरेन्द्र मोदी के नेतृत्व में शहसन प्रणाली (सिस्टम) में भरोसा फिर से लौट आया है। 70-75 सालों में जिस संभावनाओं एवं क्षमताओं को महसूस नहीं किया गया, उसका भरपूर उपयोग गत सात वर्षों में करने का प्रयास किया गया है।

'मोदी 2.0 अ रिजॉल्व टु सिक्योर इंडिया' नामक पुस्तक के अनावरण के मौके पर संतोष ने कहा कि आतंकी हमलों की लगातार बढ़ती

आतंकी, देश की सीमाओं (LAC और LoC) पर मौजूदा तनाव और बदलते वैश्विक राजनीतिक परिवेश में देश की सुरक्षा मोदी 2.0 सरकार की पहली प्राथमिकता बनी हुई है। उन्होंने कहा कि आज मुझे अपने प्रधानमंत्री जी के शब्द याद आते हैं जब उन्होंने कहा था - मैं नहीं जानता कि मैं अगले 5 सालों में क्या हासिल कर सकता हूँ या क्या दे सकता हूँ, क्योंकि उपलब्धियाँ हासिल करने के

लिए बहुत से लोगों के सहयोग एवं समर्थन की जरूरत होती है। किंतु मैं आपको आश्वासन (भरोसा) देता हूँ कि मैं ऐसे तरीके से काम करूँगा कि आप में से किसी को अगली बार वोट मांगने के लिए सर नहीं झुकाना पड़ेगा। उन्होंने (प्रधानमंत्री ने) हमें गौरवान्वित किया है। प्रधानमंत्री ने यह भी कहा था - 'भारतीय लोग चाहें दुनिया के किसी भी हिस्से में हों, वे भारतीय हैं। हम उनके लिए ऐसी

रिश्तों का निर्माण करेंगे, ताकि उन्हें अपने आपको भारतीय कहने पर गर्व महसूस हो। संतोष ने कहा कि इस सरकार की उपलब्ध नीतियाँ नहीं हैं, वे तो पहले से मौजूद थीं। वास्तव में इस नेता (प्रधानमंत्री) के द्वारा मानसिकता में लाया गया बदलाव ही उनकी उपलब्धि है जिन्होंने लिए देश ही सर्वोपरि है।

प्रधानमंत्री के सलाहकार परिषद के चेयरमैन प्रोफेसर बिबेक देब्रॉय ने कहा, "भारत के सुधार एजेंडा के लिए ठोस एवं आक्रामक सुरक्षा रणनीति बहुत जरूरी हिस्सा है। विकास की गति को बनाए रखने के लिए पुलिस में सुधार तथा हमारी सीमाओं पर आतंकवाद का मुकाबला करने के लिए प्रभावी रणनीतियाँ बहुत जरूरी हैं। भारत-तिब्बत सीमा पुलिस के पूर्व महानिदेशक रणजीत पंचन्दा ने कहा, "मोदी सरकार का मानना है कि देश का हर नागरिक राष्ट्रीय सुरक्षा में एक समान हितधारक है,

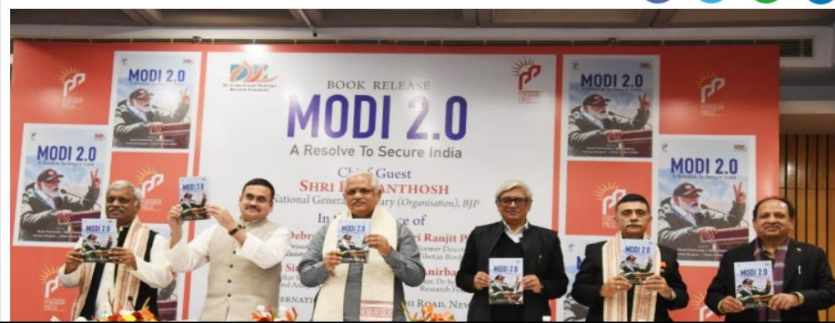

जिसे बाहरी एवं भीतरी हर तरह के खतरों से सुरक्षित रखना बहुत जरूरी है। डॉ. श्यामा प्रसाद मुखर्जी रिसर्च फाउंडेशन के (अवैतनिक) निदेशक डॉ. अनिबान गंगुली ने कहा, "देश की सुरक्षा के लिए मोदी के 'नवभारत' की अभियोजन के ही अनुरूप है। भारत नए सुरक्षा दुष्टिकोण के साथ ठोस नींव पर मजबूत एवं आगामी देश के रूप में विकसित होने के लिए तत्पर है। 'मोदी 2.0 अ रिजॉल्व टु सिक्योर इंडिया' राष्ट्रीय सुरक्षा विशेषज्ञों और विचारकों के उल्लेखनीय विचारों एवं इन्पुट्स पर रोशनी डालती है तथा इसमें मोदी सरकार के अब तक के प्रदर्शन और रणनीतियों का प्रमुखता से उल्लेख है। इस अवसर पर मनोहार पर्रिकर इंस्टिट्यूट फॉर डिफेंस स्टडीज एंड एनालिसिस के फैलो डॉ. उत्तम सिन्हा और पेंटागोन प्रेस के प्रबन्ध निदेशक राजन आर्या भी उपस्थित थे।

## बदलते विश्वस्तरीय राजनैतिक परिवेश के बीच 'मोदी 2.0: अ रिज़ॉल्व टू सिक्वोर इंडिया' का अनावरण

'मोदी 2.0 अ रिज़ॉल्व टू सिक्वोर इंडिया' राष्ट्रीय सुरक्षा विशेषज्ञों और विचारकों के उल्लेखनीय विचारों एवं इनपुट्स पर रोशनी डालती है तथा इस दृष्टि से मोदी सरकार के प्रदर्शन और रणनीतियों के बारे में बात करती है।

**New Delhi, Dec 3 (IANS):** The Central government has brought stability in Manipur, which has always faced continuous blockade, and Assam, which was marred by violence, BJP national General Secretary (Organisation), B.L. Santhosh, said on Thursday.

Santhosh was speaking after releasing a book titled 'Modi 2.0: A Resolve to Secure India', which captures noteworthy opinions and inputs of national security experts and thought leaders on the overall performance and strategies of the Narendra Modi government.

Santhosh said, "True potential of this country has been unmasked in the last seven years, and it is the contribution of many people because they all have found their rhythm now, they all have found their space where they can do something. This is the biggest achievement of seven years of Modi administration."
