# FROM THE CHAIRMAN'S DESK

Dr Syama Prasad Mookerjee Research Foundation (SPMRF) continued with its varied activities in 2023. The year had a special significance for India because of her Presidency of G20 and Prime Minister Shri Narendra Modi's stellar leadership of this impactful global group. India's hosting of G20 had many new dimensions and aspects never before seen in the annals of G20 meets. These set India's G20 Presidency uniquely apart. Prime Minister Shri Narendra Modi's vision of the 'Global South', his espousal of the 'Voice of Global South', the African Union's inclusion in G20 primarily through the efforts and exertions of PM Modi also demonstrated India's capacity for responsible leadership and her capacity for articulating issues that are usually overlooked or placed on the back-burner.

G20 in India was a national affair with each state government being involved. Each region and state in India had the opportunity to organize major G20 meets and to showcase their uniqueness. India's leadership of G20 evoked strong interest in people across the country, with crores participating in G20 programmes directly or indirectly. India's G20 presidency moment became a national celebration of sort, seeing participation from almost all fields.

Dr Syama Prasad Mookerjee Research Foundation had the privilege of being designated as the secretariat for Y20 – Youth 20 and played a crucial role in taking the message of G20 – Y20 among youths across India.

Through more than a thousand programmes nationwide, SPMRF reached out to youth at the grassroots, taking Prime Minister Shri Narendra Modi's message of 'One Earth, One Family, One Future' to their doorstep and encouraging them to become stake-holders of new global future in which India will play a defining role through the power and scope of her age-old philosophical vision of unity and cooperation. The response to SPMRF's Y20 outreach was intense and enthusiastic and cut across professions and geographical regions. From Nagaland to Nariman Point, from Kanyakumari to Srinagar, the response was sustained and saw heightened enthusiasm. The SPMRF website has a separate report on the Y20, which I would urge all of you to read.

From 2019, SPMRF has instituted an award in the name of Dr Syama Prasad Mookerjee for Durga Puja committees. The criteria for conferring the award are Pujas which are organized by marginalized communities, by women and which have a positive social, environmental and cultural message. Dr Mookerjee was himself deeply involved in the cultural, educational and social rejuvenation of Bengal and this award 'Syama Prasad Durgotsav Samman' is a tribute to this facet of his personality and national contribution. With Durga Puja being conferred the UNESCO tag for intangible cultural heritage, this dimension of our activities assumes a renewed significance.

2023, saw a variety of programmes, publications, talks and round-table discussions, Podcasts and YouTube talks in SPMRF. There was also a steady churn of articles and publications which have been widely disseminated to various stakeholders.

With a small but enthusiastic team of researchers and group of eminent practitioners to support and guide them, SPMRF continues with its exploration of ideas, generation of knowledge and perspectives, making interventions, articulating narratives with a focus on the vision of an India that is developed, prosperous and self-reliant. Viksit Bharat is the inspiring vision articulated by Prime Minister Shri Narendra Modi.

I would like to thank all those who have always extended unstinting support to our work and look forward to your continued support.

**Dr Anirban Ganguly**  
Chairman, SPMRF

## THE PLOY BEHIND THE PLOT

Are Western NGOs, Media, and Think Tanks Resorting to Misleading Extrapolation of Data to Pin Down a PM Modi-led Resilient and Rapidly Rising India That Refuses to Bow Down to Western Diktats?

PATHIKRIT PAYNE

United Institute of Technology

Periyanaickenpalayam, Coimbatore -641020, TamilNadu, India

### Y20 Youth Festival – Report

“Industry 4.0, 21ST Century Skills and Agenda for youth”

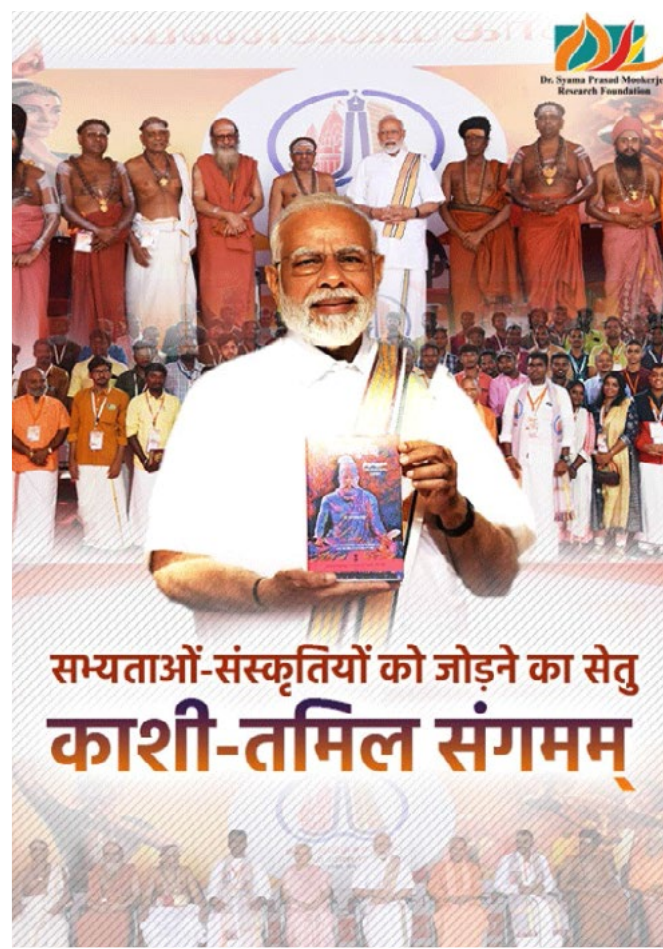

#### Preamble:

United Institute of Technology (UIT) was established in the year 2009, approved by AICTE, affiliated to Anna University, accredited by NAAC with A+ (3.40 CGPA) during 2nd Cycle and ISO 9001:2015 certified Co-Education, Engineering Institution. The Institution was declared fit under section 2(f) of UGC act on 29th December, 2017. Right from the inception UIT incorporates features of excellence and best practices in the field of Engineering and Technology. United Institute of Technology, Periyanaickenpalayam, Coimbatore and Dr. Syama Prasad Mukherjee research foundation jointly organized Y20 Youth Festival on 17<sup>th</sup> August 2023 at 9.30 AM in the Seminar Hall. Among the five proposed themes for the Youth 20 Summit 2023, the institution has chosen two thought-provoking themes. The first theme was Future of Work which encompass Industry 4.0, innovation, and the development of 21st-century skills. The second theme was Health, Well-being & Sports which focus on creating an agenda for the youth, addressing their well-being, and promoting sports activities. The event brought together students from various educational institutions creating a vibrant and dynamic atmosphere.

#### Inauguration:

The celebration started with the academic procession in which the dignitaries namely, Shri Dr.K.Sendhil Ganesh, Chairman of CII, Coimbatore, Shri Prof.P.Kanagasabapathi, Secretary and trustee, Dr.Syama Prasad Mukherjee research foundation, Shri.Prof.Dr.E.Balagurusamy, Chairman, EBG Foundation,

Research Intern

“The gigantic task of reconstruction, cultural, social, economic and political can be rendered possible through coordinated efforts of bands of trained and disciplined Indians. Armed with the knowledge of Indian’s past glory and greatness, her strength and weakness, it is they who can place before their country a programme of work, which while loyal to the fundamental traditions of India civilisation will be adapted to the changing conditions of the modern world.”

**-Dr Syama Prasad Mookerjee**
