## FROM THE CHAIRMAN'S DESK

**D**r Syama Prasad Mookerjee Research Foundation, inspired by the name and legacy of Dr Syama Prasad Mookerjee and the vision of Viksit Bharat as enunciated by Prime Minister Shri Narendra Modi has continued its journey of discovery, knowledge, research and exploration of thought and creation of narrative.

Like all preceding years, 2024 was no exception for the Foundation's rich output and intense activity, both in the realm of research, public events and outreach.

An array of experts and institutions have been and continue to be part of SPMRF's multifarious activities. Members of the SPMRF Trust Board have extended unstinting support and the efficient and dedicated team of SPMRF has tirelessly contributed to its activities, creating a distinct brand and niche for the Foundation.

A large number of writers, thinkers, scholars and activists have also contributed to the intellectual and research output of the Foundation.

I especially recall Padma Bhushan late Dr Bibek Debroy's close and enriching association with the Foundation for over a decade. His guidance, active interest and unconditional participation in the Foundation's activities saw a continuous output in the area of public policy and research. The SPMRF family will miss his fraternal support and rich intellectual guidance.

I am confident that SPMRF shall continue to work with the same zeal and dedication and contribute to realising the vision of a new India and developed India.

“The gigantic task of reconstruction, cultural, social, economic and political can be rendered possible through coordinated efforts of bands of trained and disciplined Indians. Armed with the knowledge of Indian’s past glory and greatness, her strength and weakness, it is they who can place before their country a programme of work, which while loyal to the fundamental traditions of India civilisation will be adapted to the changing conditions of the modern world.”

**-Dr Syama Prasad Mookerjee**
